Hello! My name's Rob Fellows. I come from Dundee, a town on the east coast of Scotland, but I'm a student at Durham University, in the north of England. Durham is a country town that boasts a beautiful scenery and historic architecture. The River Wear flows through the town.

I'm studying French and German, and I can speak the languages quite well. I also know a little Spanish, so I can speak four languages. I'm enjoying the course a lot, but it's very hard work! I have to do a lot of schoolwork, especially before exams.

I live in Durham Castle because the castle is part of the University, with thirty-five other students. It's really exciting to live in the castle. I've never had such an experience before. The course started two years ago, and I'm in my third year. After the course I'm going to work in France, but I don't know where yet. I'm really looking forward to it.
